TOWN OF EASTON
NOTICE OF PLANNING COMMISSION WORK SESSION

The Planning Commission of the Town of Easton will hold a public work session on Thursday, September 9, 2021 at 10:00 A.M. in the Town Council Meeting Room, 14 South Harrison Street. The purpose of this meeting is to discuss the logistics associated with the next update of the Town's Comprehensive Plan. The discussion is anticipated to include issues associated with the scope and schedule of the project, as well as techniques and opportunities to gather public comments and opinions throughout the Update process.

The public is invited to attend the work session, although it should be noted that while this a public meeting, it is not a public hearing and rather than testimony, the Commission envisions more of an informal discussion at this meeting.

Also, persons wishing to attend or participate in the work session who require special accommodations or assistance because of a disability should contact the Town Planner, as soon as possible at (410) 822-1943 or by email at lthomas@eastonmd.gov.
