MEMORANDUM OF UNDERSTANDING – EASTON VOLUNTEER FIRE DEPARTMENT (EVFD) TRAINING FACILITY AND OPERATIONS AT EASTON AIRPORT

THIS MEMORANDUM OF UNDERSTANDING (this "MOU") is made this ____ day of _____ 2022, by and among Talbot County, Maryland, a political subdivision of the State of Maryland (the "County"), the Town of Easton, a Maryland municipal corporation (the "Town"), and The Easton Volunteer Fire Department, Inc., a Maryland non-stock corporation (the "EVFD") (collectively, the "Parties").

RECITALS

WHEREAS, the County operates Easton Airport, located at 29137 Newnam Road, Easton, Maryland 21601, (the "Airport"); and

WHEREAS, the EVFD is planning to build and operate a live fire training facility located at Lot 8 (the "Facility") in the Mistletoe Hall Commerce-Business Park adjacent to the Airport; and

WHEREAS, once constructed, the Facility will be owned by the EVFD; and

WHEREAS, smoke is an obscuration that must be mitigated to ensure that aircraft continue to operate safely when it is present in the atmosphere; and

WHEREAS, the smoke generated by the Facility has the potential to impact aircraft operating at the Airport and its immediate airspace; and

WHEREAS, the EVFD is still in the planning phases for the Facility so additional details regarding its operation will be forthcoming as that planning process continues.

NOW, THEREFORE, in consideration of the foregoing recitals, which are not merely prefatory but are a substantive part of this MOUA, and for other good and valuable consideration,

the receipt and sufficiency of which is hereby acknowledged, the Parties hereto covenant and agree as follows:

1. Communication Procedures. The EVFD and the Airport will establish procedures to communicate before, and in "real time" during, live fire training exercises.

2. Parameters of Operation. The EVFD will coordinate with the Airport to develop parameters to maximize the EVFD's training times (runway in use, time of day, weather conditions, etc.) and ensure appropriate communication between the EVFD and the Airport.

3. Notification Process. A process will be developed to notify pilots and the surrounding community prior to any live fire exercise. The procedures must include appropriate measures for responding to public inquiries and standard airport notifications via Notices to Airmen (NOTAMs).

4. Safety of Aircraft Operations. Maintaining safe aircraft operations during a live fire exercise is of paramount importance to aviation safety. A protocol to quickly cease a training evolution if smoke is creating a safety issue at the airport must be in place.

5. Term. This MOU shall be revisited every two (2) years to determine if modifications are needed, or sooner if issues arise.

6. Notices. All reports, notices, consents, or approvals required under this MOU shall be in writing and shall be deemed to have been given properly if and when mailed by first class certified mail, return receipt requested, postage prepaid, as follows:

If to EVFD: Designee

or to such other address as the Parties shall have furnished to the other in writing.

7. Modification/Assignment. No portion of this MOU may be changed, waived, assigned, or modified except by a written agreement executed by the Parties.

8. Further Assurances and Corrective Instruments. The Parties agree that they will, from time to time, execute and deliver, or cause to be executed and delivered, such amendments hereto and such other instruments to further the general purposes of this MOU.

9. Good Faith. The parties acknowledge that other issues will arise in the future regarding the operation of the Facility. The parties agree to address those issues in good faith in order to facilitate the use of the Facility as a live fire training facility and the safe operation of the Airport. The parties acknowledge that this MOU is a statement of the parties' intentions. It does not create binding or enforceable commitments and is in no manner intended to limit or abridge the exercise

of legislative judgment by either the Talbot County Council or the Easton Town Council or the discretion by any party.

RE: 2022 Waterfowl Festival Transportation Plan

Dear Ms. Cook:

The 51st Waterfowl Festival will be held November 11-13, 2022. In order to minimize the impact of the crowds on the Town of Easton, the Festival Board and the Waterfowl Festival Commission have approved a transportation plan similar to that used in the past. The purpose of this letter is to acquaint you with the plan, to obtain the consent of the Town Council to those aspects of the plan requiring official approval, and coordinate our efforts for a successful festival.

Please note that the festival hours will remain 10:00am to 5:00pm on Friday, Nov. 11 and Saturday Nov. 12, and 10:00am to 4:00pm on Sunday, Nov. 13. We will be supplying bus service again this year to move people between the parking areas and the various festival exhibits. We anticipate using approximately 6 buses on Friday, 10 buses on Saturday and 6 buses on Sunday. Visitors will be encouraged by directional signs along area streets and highways, to park in the Tred Avon Square, Kohl's Department Store, and Easton Plaza parking lots, as well as the Easton High School on the south.

I. SET UP

During the set up of exhibits on Monday, November 7 through Thursday, November 10 we request that you authorize Capt. Gregory Wright to assist us with reserving certain temporary areas for loading/unloading at the following locations. The signs will read NO PARKING - LOADING/UNLOADING ONLY.

A. Old Armory Building
1. South Harrison Street from yellow curb in front of Armory approximately 100' north - Waterfowl Festival will mark area.
2. Talbot Lane behind Armory from Town of Easton parking lot to South Street - Waterfowl Festival will mark area.
3. South side of South Street between Harrison Street and Talbot Lane to permit parking for Festival volunteers who need to park near the Armory basement to be designated by 2022 Waterfowl Festival Parking Pass - Waterfowl Festival will mark area.

4. East and west sides of Harrison Street from intersection of South Street to residential parking.

C. Avalon Theater

1. Dover Street in front of the Avalon Theater, space large enough for a mid-sized truck from Monday, November 7 – Sunday, November 13. Easton Police to mark area.

2. Harrison Street in front of Bannings Tavern and Troika Gallery to provide access to small alley leading to side entrance to Theater from Monday, November 7– Sunday, November 13. Easton Police to mark area.

D. Harrison Street in front of Lot #1

1. All Parking spaces on both sides of Harrison Street from Dover Street to Glenwood Avenue for exhibitor loading and unloading on Thursday, November 10 from 8:30am – 5:00pm. Easton Police to mark area.
2. The same spaces on Sunday, November 13 from 4:00pm – 8:00pm for exhibitor tear-down. Easton Police to mark area.

II. STREET CLOSINGS

In an effort to reduce congestion in the central business area during the Festival, we are requesting that you officially close the following streets to vehicular traffic during the hours of 9:00am to 5:30pm on November 11 and 12 and from 9:00am to 4:30pm on November 13.

A. Dover Street between Hanson Street and Washington Street.There will be a Rotary manned barricade at the Hanson Street intersection permitting access for postal customers, designated handicapped parking behind the Mayor & Council Building, residents requiring access to Talbot Lane, as well as Festival officials bearing the 2022 Waterfowl Festival Parking Pass.

On Friday Only, Dover Street will remain open from Shore United Bank exit to West St. for Hill's Pharmacy and Shore United Bank Patrons and they gain access to the area from Glenwood Ave. by way of Washington Street.

An unmanned barricade across Dover Street between Talbot Lane and the Tidewater Inn driveway entrance to allow presence of food concession run by Tri-County Ruritan on Dover Street between Tidewater Inn Drive and Harrison Street. A second barricade

where the Tidewater's driveway meets the Harrison Street sidewalk will be placed to prohibit access to Harrison Street. The Waterfowl Festival will place an A-frame sign stating "For Your Safety all pedestrians from this point are restricted to sidewalks" at the unmanned barricade across Dover Street between the Tidewater Inn driveway and the intersection with Harrison Street.

B. Harrison Street between Goldsborough and South Streets with an Easton Police Department Employees present at the South Street intersection.

C. Glenwood Avenue between Harrison Street and Washington Street

D. Washington Street between Goldsborough Street and the entrance to Lot #3. "Buses only" signs will be placed at the intersection of Glenwood Avenue & Washington Street and Goldsborough Street & Washington Street. These areas will be used as the Easton Lions Club food court as well as a pedestrian area near the bus stops on Federal Street and Lot #3 on Friday, November 11 and Saturday, November 12 from 8:00 am to 6:00 pm and Sunday, November 13 from 8:00am to 5:00pm

E. South Street between Harrison Street and Talbot Lane. Barricades will be placed at each intersection.

F. Bay Street Ponds Road from intersection with Bay Street to just past the ponds, leaving access open to the townhouses parking lot. Waterfowl Festival will place "No Thru Traffic" barricades and "Pedestrian Safety" signs.

It is our understanding that the Police Department will be posting "No Parking" signs on Dover and Harrison Streets within the restricted areas noted above. The Waterfowl Festival will again place A-frame signs stating "For Your Safety all pedestrians from this point are restricted to sidewalks" at the end of the following closed streets: Harrison and Goldsborough, Harrison and South Street, Dover Street and Talbot Lane, Dover Street at the Talbot Bank exit, Washington and Federal Streets, and Washington Street and Glenwood Avenue.

No vehicles will be permitted within these pedestrian use areas along the above-mentioned streets. In order to provide parking for affected merchants and residents, the Festival requests that the Town of Easton make available Lot #2 north of Mill Place, next to the Elizabeth Claire Salon, as reserved parking.

It is our understanding that the Police Department will close and reopen the above-mentioned streets at the times noted above. The Waterfowl Festival will provide barricades and cones and have them located at each designated area.

We would like to have Streets closed from 3:45 to 8:30 for our Premiere Night Celebration due to lighting concerns as patrons go from venue to venue. Closure would be Harrison Street, from South Street intersection to Washington Street and to the intersection for the Avalon and Bullitt House

III. ADDITIONAL SIGNS AND BARRICADES

A. Barricade at intersection of Washington and South Streets permitting only "No Thru Traffic Except Residents" sign. Also add additional barricade mid-way down South Street.

7. VFW Volunteers will monitor traffic at their exhibit and do not require assistance.

Please note that Waterfowl Festival personnel will first coordinate with the Police Department on the proper wording of all signs referred to in this letter.

As in prior years with the consent of the Town Council and Easton Utilities, the Festival will use signs and cones from Easton Utilities to assist with traffic control. The Festival will be responsible for pick-up of these items on Wednesday, Nov. 9 and the return of those items on Sunday, Nov. 13. Easton Utilities has also consented in the past to our placement of directional arrows to the parking areas on or near Easton Utility poles in the town on the condition that the Festival remove both the signs and any staples used to mount the signs promptly upon the conclusion of the Festival. We again request your permission to use these poles for that purpose on the same conditions.

In an effort to most efficiently direct visitors, the Festival will place exhibit and transportation signs as necessary.

To accommodate disabled visitors, the Waterfowl Festival requests the use of five parking spaces in the lot behind the Mayor & Council Building from Nov. 11 to Nov. 13. Preferred spaces would be next to the building where town employees park. A means of marking those spaces will be determined by the Festival and the Town of Easton. Additionally, the Waterfowl Festival requests permission to designate ten additional parking spaces as reserved for handicap visitors in the parking lot behind the Armory. The Festival also requests that 1st/Sgt Kellner advise police officers directing traffic of the location of handicapped parking spaces so they may inform visitors.

In order to promote efficiency in carrying out this transportation plan, the Festival requests the Council's consent to work directly with the Police Department in addressing any minor alterations that may arise in the next few weeks during the final planning stages of the Festival.

Also, recognizing that visitors and exhibitors may not be familiar with specific parking regulations - head in parking, etc. - the Festival requests that the enforcement patrols be flexible and lenient from Monday, Oct. 31 through Sunday, Nov. 13. Finally, with the consent of the Council following approval of this transportation plan, we request your permission to publicize the details of the plan in the media. Through such publication, we hope to encourage the utilization of the bus system by visitors to the Festival and to minimize the inconvenience to Easton residents and merchants during the hours in which the plan is in effect.

Finally, during the Festival, various members of the Board of Directors will have cellular phones as well as 911 radios from Talbot ensuring that they may be contacted at any time. Should you or any Town official become aware of any problems, you may contact any of the following individuals by calling the Festival office at 410-822-4567 where a member of the staff will contact us:

Ken Miller, President
Carl Treat, Transportation Chairman
Leslie Milby, Event Coordinator

INTRODUCED BY: _____

WHEREAS, Eric L. Bridges is the owner of all that unimproved property located at the current terminus of Mecklenburg Avenue, within the First Election District of Talbot County, Maryland, in the Town of Easton pursuant to a Deed dated April 13, 2020 and recorded among the Land Records of Talbot County, Maryland in Liber 2697, folio 334, being Parcel 2486 on Talbot County Tax Map 106 ("Parcel 2486");

WHEREAS, Mecklenburg Avenue is a public street in the Town of Easton that runs from Dutchmans Lane to Bridge Street and after its intersection with Bridge Street continues as a paved road for approximately 65 feet before becoming what is a currently unimproved paper street thereafter;

WHEREAS, Parcel 2486 fronts on the currently unimproved portion of Mecklenburg Avenue;

WHEREAS, Eric L. Bridges is proposing to develop his property residentially and wants to construct a driveway across the currently unimproved portion of Mecklenburg Avenue to access Parcel 2486;

WHEREAS, given that Mecklenburg Avenue is not currently proposed to extend in this area, all adjacent properties are already improved with existing access to their respective

properties, and given the limited use permitted by right on the property, the Town Council feels it is appropriate to allow this driveway use; and

WHEREAS, the Town wishes to consent to the granting of a license to allow the construction of a driveway, subject to the terms and conditions as set forth in the Revocable License Agreement attached hereto as Exhibit A.

NOW, THEREFORE, the Town of Easton hereby resolves as follows:

Section 1. The recitals set forth above are incorporated herein by reference and made a part of this Resolution.

Section 2. The Mayor is hereby authorized to execute and deliver the Revocable License Agreement, a true and correct copy of which (save for executing and dating) is attached to this Resolution as Exhibit "A";

Section 3. The Mayor may make any non-substantive changes to the attached documents necessary to effectuate the purpose of this Resolution;

Section 4. The Mayor is hereby authorized to take whatever additional actions are reasonably necessary to effectuate the terms of this Resolution;

Section 5. Any prior execution and delivery of documents related to the Revocable License Agreement that are consistent with the purpose of this Resolution, are hereby ratified and approved; and

THIS REVOCABLE LICENSE AGREEMENT ("Agreement"), made this ____ day of _____, 2022, by and between the **TOWN OF EASTON, a municipal corporation of the State of Maryland** ("Grantor"), and **ERIC L. BRIDGES** ("Grantee").

WHEREAS, Grantee is the owner of all that unimproved property located at the current terminus of Mecklenburg Avenue, within the First Election District of Talbot County, Maryland, in the Town of Easton pursuant to a Deed dated April 13, 2020 and recorded among the Land Records of Talbot County, Maryland in Liber 2697, folio 334, being Parcel 2486 on Talbot County Tax Map 106 ("Grantee's Property");

WHEREAS, Mecklenburg Avenue is a public street in the Town of Easton that runs from Dutchmans Lane to Bridge Street and after its intersection with Bridge Street continues as a paved road for approximately 65 feet before becoming what is a currently unimproved paper street thereafter;

WHEREAS, Grantee's Property fronts on the currently unimproved portion of Mecklenburg Avenue;

WHEREAS, Grantee is proposing to develop his property residentially and wants to construct a driveway across the currently unimproved portion of Mecklenburg Avenue to access Grantee's Property, which access is more particularly shown and depicted as "_____" (the "License Area") on a plat prepared by Fink, Whitten & Associates, LLC, titled "_____," dated _____, a copy of which is attached hereto as Exhibit A; and

WHEREAS, Grantor is willing to allow such encroachment into the Mecklenburg Avenue Right of Way, subject to the terms hereof.

WITNESSETH, that for no monetary consideration, the parties covenant as follows:

1. Grant of License. Grantor does hereby grant and convey unto Grantee, its successors and assigns, a license to allow the construction of a driveway in the License Area shown on the attached Exhibit A, in compliance with the terms herein.

2. Construction, Repair and Maintenance. The Town intends to improve the License Area with a construction entrance as part of the Town's Bridge Street stream restoration project. The Town agrees to leave a portion of the construction entrance in place within the License Area for Grantee to use as a base for the driveway. Grantee shall construct an asphalt driveway within the License Area in accordance with Town of Easton Standard Detail TOE-R-4.05. All construction shall be performed in a good and workmanlike manner and at the sole cost and expense of Grantee. It shall be the responsibility of Grantee, at its sole cost and expense, to keep the License Area in a state of good repair and maintenance at all times, consistent with its use. Grantee's obligation to maintain the license area shall remain in effect as long as this License Agreement is in effect.

3. Limitation on Use. The Grantor's grant of this License Agreement is specifically conditioned on the Grantee's use of Parcel 2486 solely for a single-family residence. The approval of any other use on Parcel 2486, including a duplex or other multi-family residential use, shall cause this License Agreement to be immediately revoked in accordance with Paragraph 5, with no additional affirmative action required by the Grantor to cause such revocation.

4. Expansion. No expansion of the License Area shall be permitted without the written consent of Grantor.

5. Revocability. This License Agreement shall be revocable by the Grantor for public health and safety purposes. If the License Agreement is revoked pursuant to this section in order to convert the unimproved portion of Mecklenburg Avenue to a public road, then Grantee's Property shall be given access over the newly improved Mecklenburg Avenue public road.

6. Indemnification. Grantee shall indemnify and hold Grantor harmless with respect to any claims, liabilities, or expenses incurred by Grantor as a result of the grant of the license pursuant to this Agreement.

7. Fees. Grantee agrees to pay all fees and expenses including attorney's fees incurred in preparing this Agreement and maintaining the License Area.

8. Attorney's Fees Upon Breach. If Grantee breaches any part of this Agreement, it shall pay the reasonable attorney's fees, court costs, cost of suit, and expenses incurred by Grantor in enforcing the provisions of this Agreement with respect to said breach or in obtaining damages therefore.

9. Land Use Approvals Still Required. The Town's granting of this License Agreement shall have no effect on the standard Town of Easton governmental approvals required pursuant to applicable land use, planning, stormwater management, forest conservation, and other related laws and regulations.

10. Recitals. The provisions stated and contained in the recitals above are intended to be a material part of this agreement and are not merely prefatory in nature.

11. Binding Effect. This Agreement shall be binding and shall inure to the benefit of the parties hereto, their successors and assigns.

12. Duplicates. This Agreement may be executed in multiple counterparts, each of which will be considered an original.

Parcel 01-069934 is currently housing the Easton Airport offices. Copies of the tax bills are attached.

Thank you for your consideration of this request. If you have any questions, please contact me at (410) 770-8021.
